Nonprofit supporters step up

Since its inception just last year, Raven's Pursuit has both set and accomplished some lofty goals. Formed in February of 2017 and by August of the same year, Raven's Pursuit had received its nonprofit status, held a fundraising Row-a-thon, written a functional fitness curriculum that aligned with the NCDPI standards for physical education, and committed to funding the delivery, by College Hill CrossFit, of the entire fitness program for Hope Academy

This courageous and aggressive pace of work has been possible because of Row-a-thon participants, individual donations, regular sustaining donations, Giving Tuesday donations, Amazon Smile contributions, well, you get the picture....because of the support of donors like you!

Excellent use of funds

"This is a great cause that Barb and I are happy to support".

-Abby Karp (donor)

Student progress is remarkable!

Analysis of pre– and post-test measures of functional fitness, Hope Academy students show improvement in EVERY.SINGLE.MEASURE.

This kind of success is unheard of in academic circles.
Congratulations to the hard work of Hope Academy students and CHC coach Franklin!
